

# NetpulseOne

One Platform. One Solution.

NetpulseOne is a digital fitness solution that enables workout tracking and data management delivered through one platform. NetpulseOne works with all your favorite cardio equipment, 3rd party tracking apps and devices, along with a mobile app and web portal capturing all your member data under one brand...yours.

## Benefits to Facilities:

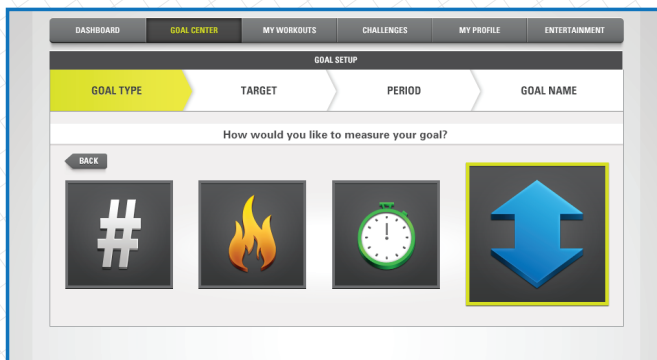

- Universal compatibility
- Drives member engagement and retention
- Creates a club-centric fitness community
- Ability to leverage business intelligence and access to member workout data

## Benefits to Members:

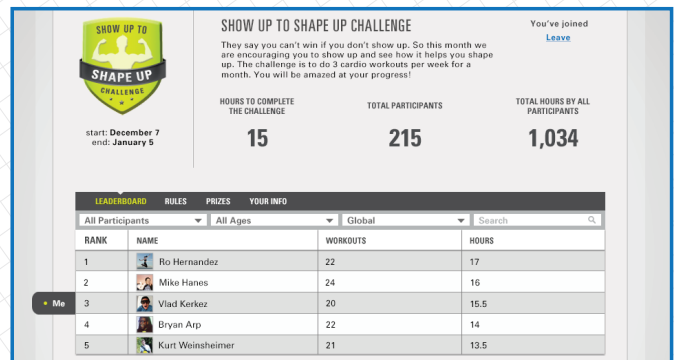

- Personalized goal setting
- National and club-sponsored\* challenges
- Activity-based social feed
- Universal workout tracking
  - Netpulse-connected equipment
  - Member website and customized URL
  - Non-CSAFE compatible equipment via xCapture\*
  - 3rd party apps and devices
  - Mobile application\*
