March 2011

Modular Dip / Chin Assist End-of-Life

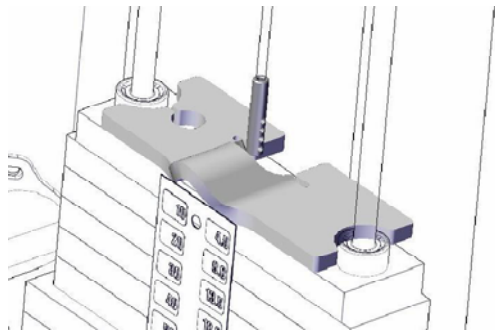

Please take note that the last day to enter an order for a Free Standing Modular Dip/Chin Assist (product number 5345) is September 2, 2011. The last day for shipments is September 30, 2011.

Fitlinxx, 770T, and 625T Timing Note

At present we are still working towards Fitlinxx certification of these products and anticipate that it will be sometime in Q3 before we have fully functional and certified product.

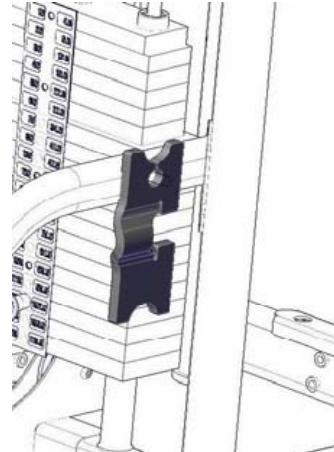

Jungle Gym Increment Weight Kit

All Jungle Gyms produced since the beginning of 2011 come standard with increments weights for all stations except the Adjustable Cable and Dip / Chin Assist.

Kits available should a facility desire to add increment weights to units built prior to the beginning of the year.

For Row units, use kit 17030K003 (MSRP \$198.07)

For Lat Pulls, Hi-Low, and Triceps Pushdown, use kit 17050K003 (MSRP \$181.77)

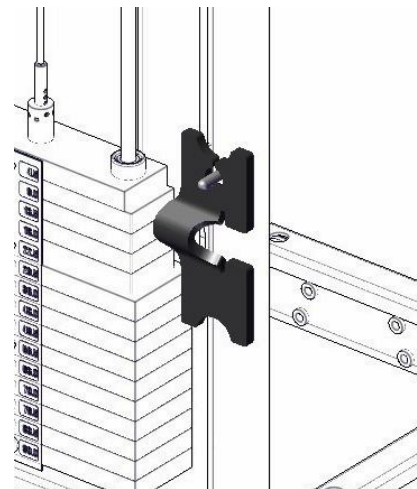

Plate Loaded and Free Weight Tube-in-Tube

Effective with March 21 production, the 45 Degree Back Extension, Olympic Decline Bench and Adjustable Decline Bench employ an updated tube-in-tube design that significantly improves the fit for a significant reduction in the amount of play. The same changes will be implemented on the Scott Curl, Olympic Incline Bench, Seated Calf and Plate Loaded Row on April 11th.

Please note the following product number changes:

Product	From	To
Bent Leg Ab Board	16170	16171
