

# CUSTOMER SUPPORT

# SERIAL NUMBER

# LOCATIONS

**EFFECTIVE MARCH 15, 2010**

For Life Fitness Cardiovascular equipment, this document will guide you to the location of your unique serial number found in two places on your product. You will only need to locate one label when referencing service issues.

## PRODUCTS

- Elevation Series™ 95T Treadmill
- Classic Series Treadmill
- 97Ti, 91Ti and 90T Treadmills
- Elevation Series™ 95X Elliptical Cross-Trainer
- Classic Series Elliptical Cross-Trainer
- Elevation Series™ 95C Upright Lifecycle® Exercise Bike
- Classic Series Upright Lifecycle® Exercise Bike
- Elevation Series™ 95R Recumbent Lifecycle® Exercise Bike
- Classic Series Recumbent Lifecycle® Exercise Bike
- 95Li Summit Trainer
- Stairclimbers

## TOOLS

A standard Phillip's head screwdriver will be needed if instructions call for removing a piece of shroud.

## SAMPLE

**Large Serial Label (Image not to scale)**

**Small Serial Label (Image not to scale)**

**Serial numbers are identified by S/N:**

*The numbers on each label are identical.  
You will only need to locate one label when  
referencing service issues.*
